Strip Happy – a version of a potato chip quilt

Version One (Red/Green)

Mixed fabric centres, solid fabric/background outer strips

Version Two (Blue/Green)

Solid white on white centres, controlled two fabric outer strips.

Version Three (not shown)

Solid/consistent borders

Scrappy centres.

<u>Block construction directions:</u>

Each block is made with two 2 ½" x 8 ½" strips joined to a centre strip set of four 2 ½" x 4 ½" strips. Blocks are set horizontally and vertically across rows.

If you have larger scraps, consider replacing some of the scrappy centres with a single 4 ½" x 8 ½" centre to vary the look.
